FLOOR DEBATE

March 6, 2002 LB 1211

various representatives of the state and local subdivisions who will operate and be responsible for maintenance of the system and administration of the system, and further defining the members of that alliance. So that is what the amendment does. I would ask the body to act favorably on the amendment. Thanks.

SENATOR CUDABACK: Thank you, Senator Bromm. You've heard the closing on the Transportation Committee amendments to LB 1211. The question before the body is, shall those amendments be adopted? All in favor vote aye, opposed nay. We are voting on the Transportation Committee amendment to LB 1211. Have you all voted who care to? Record, please, Mr. Clerk.

CLERK: 30 ayes, 0 nays, Mr. President, on the adoption of committee amendments.

SENATOR CUDABACK: The committee amendments are adopted. Back to discussion on the bill. Open for discussion. Seeing no lights on, Senator Bromm, do you wish to close on this?

SENATOR BROMM: Thank you, Senator Cudaback. I appreciate the discussion that I was able to have with Senator Beutler, and I would encourage the members of the Legislature to review this bill before we get to Select File. I am not inviting a rash of amendments or opposition. I don't mean that. But it is a fairly significant step in terms of trying to establish a statewide communications system. I would like for you to be as aware as possible about how this framework is envisioned to work, and should you have questions or suggestions for improvement we certainly will have an ear open to that on Select File. But at this point, if there are no further questions or amendments, I will ask the body to advance it. Thank you.

SENATOR CUDABACK: Thank you, Senator Bromm. You heard the closing on advancement of LB 1211. The question before the body is, should LB 1211 be advanced to E & R Initial? All in favor vote aye, opposed nay. We are voting on advancement of LB 1211 to E & R Initial. Have you all voted who care to? Record, please, Mr. Clerk.

CLERK: 35 ayes, 0 nays, Mr. President, on the advancement of
